

CONSUMER NOTICE

Eye doctors are required to provide patients with a copy of their ophthalmic lens prescriptions as follows:

- Spectacle prescriptions: Release upon completion of exam.
- Contact lens prescriptions: Release upon completion of exam or upon completion of the fitting process.

The practice of optometry in California is regulated by the Board of Optometry. The Board of Optometry receives and investigates all consumer complaints involving the practice of optometry. Complaints or grievances involving a California licensed optometrist should be directed to:

Board of Optometry
Department of Consumer Affairs
2450 Del Paso Road, Suite 105
Sacramento, CA 95834
